You are sure of three things in having your Tailoring done here, and they are: The lowest prices, superior workmanship and perfect satisfaction. The men of Washington, as a rule, are the best dressed of any in America, and this is due to the fact that they are not compelled to pay exorbitant prices for having their clothes made to order. The LATEST DISPATCH.

The only official message received since Saturday bearing on the Chilian trouble was a cable message sent by Minister Egan transmitting Capt. Schley's report in regard to the assault on American sailors on the 16th instant. It was exactly the same as the report made by Capt. Schley to the Secretary of the Navy. Mr. Egan made no reference to the refusal of the Chilian government to give safe conduct to the refusees at the United States legation. He had previously advised the department to that effect.
